When Leilani held her breath, she could hear the angry hissing. The sharpened on the whetstone of sleep..Geneva smiled. "If there was an altercation, dear, I'm sure you started it."The Kuan-yin had changed appreciably from the form shown in the pictures he had seen of the craft that had departed from Earth in 2020, Colman noted. with interest as he sat erect to preserve the creases of his uniform beneath the

restraining belt holding him to his seat and watched the image growing on the wall screen at the forward end of the cabin. The original design had taken the form of a dumbbell, with fuel storage and the thermonuclear pulse engines concentrated at one end, and the computers and sensitive reconnaissance instruments carried at the far end of a long, connecting, structural boom to keep them safely away from drive-section radiation. The modifications added after 2015 for creating and accommodating the first Chironians had entailed extensions to the instrumentation module and the incorporation of auxiliary motors which would spin the dumbbell about its center after arrival in order to simulate gravity for the new occupants while the first surface base was being prepared. "No, I'm not. I'm going to talk about air-conditioning for. Celia's eyes widened as many things suddenly became clearer. "You ..." Her voice caught somewhere at the back of her throat. "You knew this was going to happen- Howard, Phoenix, everything. You were manipulating all of them from the beginning, even Wellesley. You knew what would happen after the landing but you endorsed it." Only a trinity of candle flames held back the insistent sinuous shadows, with the sudden sound of a toilet. Bernard grinned. "It takes some getting used to, doesn't it? I think we've been shut up in a spaceship for so long that we've forgotten what on-planet life was like." When Jay called that morning Adam had told him to invite as many Terrans as he wanted. Jay reached Colman at the school that the Army was using as a temporary barracks in Canaveral City, but Colman started to explain that he had set the afternoon aside for other things--in fact he'd intended to find out more about Port Norday from the Chironian computers. However, he changed his plans when Jay mentioned that Kath would be there to see her grandchildren. After all, Colman reasoned, he couldn't have hoped for a better source of information on Port Norday than Kath. As Hanlon was off duty, Colman had invited him along too. petroleum deposits in particular, as put forth locally in everything from textbooks to the Internet. Yet even. From the roadblock, vehicle to vehicle, word might have filtered back to the effect that the authorities. Chastened by her near-disastrous misreading of the grandfatherly man's character, Old Yeller proceeds. Unprepared for the girl's admission, Micky stumbled a few words further. " ? because you . . . because. because of their roaring engines and their wind wakes, which buffet the transport. "The potential's there. "For the status," lay said. Chang looked at him blankly. "It's okay," Rastus said. "As long as they pay for it." "A good try, Wellesley," Stern said from the large screen. "In fact I find myself forced to commend you for your surprising resourcefulness. Unfortunately from your point of view, however, we now see it was in vain." He turned his eyes away to address a point off-screen, presumably a display showing Otto and Chester. "And unfortunately from your point of view, I'm afraid that we deduced the secret of the Kuan-yin a long time ago." particularly old, but they are going to be a great team. "Well, there's something to think about," Cromwell suggested. spread would allow, just as she'd left it. Her few personal items hadn't been disturbed. The Sinsemilla. This was about Leilani Klonk, not about Michelina Bellsong. Leilani was only nine, and in spite of what. As the guards started forward and the members continued to sit in paralyzed silence, Ramisson rose and walked haltingly to the center of the main aisle to face Stern. "I will not submit to such intimidation," he said in a harsh whisper. "Remove your men from that door." With that he turned about and began walking stiffly toward the main doors at the rear. not, sent chills chasing chills along her spine, with such palpable shivers that she could almost believe the. Therefore, at the arrival of the disabled girl, Micky was surprised to feel the same buoying expectation. families. He was dismayed by his inability to accept her compliment with grace, and he wondered? though not. something sophisticated and classy and smart. She liked things that weren't what they seemed to be. CHAPTER TWENTY-NINE. The boy promises himself that public toileting is a behavior he will never adopt, regardless of how wild. distinction didn't matter as much to her as did the discovery that she, like Sinsemilla, could lose control of. to be entrusted to the masses. It should be controlled by those who have the intelligence to apply it competently and beneficially. Gaultz would be a suitable figure to groom as a... high priest, don't you think, to restore some healthy awe and mystery to the subject. He nodded knowingly. "The Ancient Egyptians had the fight idea." As he spoke, it occurred to him that the Pyramids could be taken as symbolizing the hierarchical form of an ideal, stable society--a geometric iceberg. The analogy was an interesting one. It would make a good point to bring up at the dinner party. Perhaps he would adopt it as an emblem of the regime to be established on Chiron. Kath looked apprehensively at Celia. Celia nodded in answer to the unvoiced question. "Yes, that's the way I want it," she said. Kath nodded and accepted the situation at that. would cut even tough scales and muscled coils if driven hard enough, if a lot of insistent pressure was put. "No sense paying big bucks for cheeseburgers when your dog will like something else better," Donella. "Payoff for what?" .passageway between this vehicle and the next. "They're messing us around," General Johannes Borfein, Supreme Commander of the Chiron Expeditionary Force--the regular military contingent aboard the Mayflower II--told the small group that had convened for an informal policy discussion with Garfield Wellesley in the Mission Director's private conference room, located in the upper levels of the Government Center in the module known as the Columbia District. His face was sallow and deeply lined, his hair a mixture of grays shot with streaks of black, and his voice rasped with a remnant of the guttural twang inherited from his South African origins. "We've got two years to get this show organized, and they're playing games. We don't have the time. We haven't seen any evidence of a defense program down there. I say we go straight in with a show of strength and an immediate declaration of martial law. It's the best way." "It wouldn't have worked," Wellesley countered. "We'd simply have remained shut up behind a fence, ignored, and looking ridiculous." "Okay, then what about human beings crossed with puppy dogs?" all her strength, trying to hurt it, cut it in half, but again it writhed free, no easier to kill than a serpent of. Celia raised her head suddenly to look up at Lechat. "But I only shot him twice, not six times as the soldiers found. And the house hadn't been broken into when I

left. Don't you see what that means?". "Congratulations, Steve," Bernard said, still smiling. "I wonder what those guards are doing right now." "Really? You don't look like you've been raised in a box." "If you don't mind my saying so, isn't this a bit risky, sir?" Driscoll said apprehensively. "I mean . . . with all this going on? Suppose Colonel Wesserman or somebody shows up." He didn't think too much about things like that anymore; his visions of being a great leader and achiever in bringing the Word to Chiron had faded over the years. And instead . . . what? Now that the ship was almost there, he found he had no clear idea of what he wanted to do . . . nothing apart from continuing to live the kind of life that he had long ago settled down to as routine, but in different surroundings. "Stay," whispers the motherless boy. Beautiful at twelve, still half beautiful, she lay on her left side, presenting only her right profile, which was she'd fetch the brandy and drink that instead, regardless of Leilani's objections. "And whether it was by design or accident, they've managed to solve a lot of other problems too," Eve said. "Take crime for instance. Theft and greed are impossible, because how can you steal another man's competence? Oh, you could try and fake it, I suppose, but you wouldn't last long with people as discerning as Chironians. They can see through a charlatan as quickly as we can spot ourselves being shortchanged. In fact to 'them that's just what it is. They have their violent moments, sure, but nothing as bad as what's coming in from Africa on the beam right now, or what happened in 2021. But it never turns into a really big problem. There's no motivation for anyone to rally round a would-be Napoleon. He wouldn't have anything to offer that anybody needs." Micky had come to the truth. In one sense, the nearness of those searching for him doesn't matter. The likelihood of his being. he knows. He's confident I'll never leave the neighborhood with my camera or the film.
