If human beings originally shared that innate knowledge or identity, they lost it."Oh no, that's vision. . .".Some people of great innate and trained power are able to find out the true name of another, or.So they talked, that long winter, and others talked with them. Slowly their talk turned from vision to intention, from longing to planning. Veil was always cautious, warning of dangers. White-haired Dune was so eager that Ember said he wanted to start teaching sorcery to every child in Thwil. Once Ember had come to believe that Roke's freedom lay in offering others freedom, she set her whole mind on how the women of the Hand might grow strong

again. But her mind, formed by her long solitudes among the trees, always sought form and clarity, and she said, "How can we teach our art when we don't know what it is?". It was not the face she had thought it. It was worn, and hard, and scarred all down one side. The "Are you?". The ship's weatherworker came aboard just before they sailed, no Roke wizard but a weatherbeaten. They gagged him and bound his arms behind him. "Now you won't weave charms nor speak spells. "I'll walk her up," she said, standing up, and put out her hand for the reins. Ivory saw that he was supposed to dismount. He did so, asking, "Is it very bad?" and peering at the horse's leg, seeing only bright, bloody foam. to Ged.) Intathin kept the other half of the broken Ring, and it "went into the dark"-that is, and inkpots and writings, two or three boys seated at the table, and the grey-haired, stocky man. sweet herbs burned, was a bedstead. The woman in it was so wasted that in the dim light she seemed. IN THE YEARS after Diamond left home, Golden made more money than he had ever done before. All his. It took him six more days to get through the big herds in the eastern marshes. The last two days he spent riding out to scattered groups of cattle that had wandered up towards the feet of the mountain. Many of them were not infected yet, and he could protect them. The hinny carried him bareback and made the going easy. But there was nothing left for him to eat. When he rode back to the village he was light-headed and weak-kneed. He took a long time getting home from Alder's stable, where he left the hinny. Emer greeted him and scolded him and tried to make him eat, but he explained that he could not eat yet. "As I stayed there in the sickness, in the sick fields, I felt sick. After a while I'll be able to eat again," he explained. A carter walking at his mule's head with a load of oakwood came upon them and took them both to Woodedge. He could not make the young man let go of the dead woman. Weak and shaky as he was, he would not set his burden down on the load, but clambered into the cart holding her, and held her all the miles to Woodedge. All he said was "She saved me," and the carter asked no questions. destruction of the killer in man was a disfigurement. "You're tough," he said. "Here, wake up. Come on. Otter, wake up." The Hardic people of the Archipelago live by farming, herding, fishing, trading, and the usual crafts and arts of a nonindustrial society. Their population is stable and has never overcrowded the limited habitable land available to them. Famine is unknown and poverty seldom acute. "Where they come from, I don't know. In your day, was there tap water?". "What else?" I asked, and since I was still holding the cup, I took another swallow of that. each other directly, as there was no room for their knees. At O Port she had bought herself a. "We couldn't hide the wrestle we'd had with him, though we said as little about it as we could. And Dulse was standing on his own doorstep, three eggs in his hand and the rain running cold down his back. She stopped and stared at him. "Oh, are you a teller? Oh, why didn't you say so to begin with! Is that what you are then? I. He checked the henhouse, finding three eggs. Red Bucca was setting. Her eggs were about due to hatch. The mites were bothering her, and she looked scruffy and jaded. He said a few words against mites, told himself to remember to clean out the nest box as soon as the chicks hatched, and went on to the poultry yard, where Brown Bucca and Grey and Leggings and Candor and the King huddled under the eaves making soft, shrewish remarks about rain. "I don't know. Perhaps," she answered. She drew a deep breath. "You know, now, why I." So it was ordained by the first Archmage, centuries ago," said Ivory. "But ... All day he stayed near the Otter's House, keeping watch on Irian, making her eat a little with him. She came to the house, but when they had eaten she went back to her place on the streambank and sat there motionless. And he too felt a lethargy in his own body and mind, a stupidity, which he fought against but could not shake off. He thought of the Summoner's eyes, and then it was that he felt cold, cold through, though he was sitting in the full heat of the summer's day. We are ruled by the dead, he thought. The thought would not leave him. Otter pointed at the low slope that rose before them. "The King's House is there," he said. only transparent, as if molded in glass, even the seats were like glass, though soft. Without. he come here, is what you have to ask. "To cure the beasts," Gift said. accusation. "Away? In anger? To tell the Lords of Wathort or Havnor that witches on Roke are brewing a storm?". was nearly inaudible, a rough whisper. Whether performed or read silently, all such poems and songs are consciously valued for their content, not for their literary qualities, which range from high to nil. Loose regular meter, alliteration, stylised phrasing, and structuring by repetition are the principal poetic devices. Content includes mythic, epic, and historical narrative, geographical descriptions, practical observations concerning nature, agriculture, sea lore, and crafts,

cautionary tales and parables, philosophical, visionary, and spiritual poetry, and love songs. The deeds and lays are usually chanted, the ballads sung, often with a percussion accompaniment; professional chanters and singers may sing with the harp, the viol, drums, and other instruments. The songs generally have less narrative content, and many are valued and preserved mostly for the tune..images in his mind: great fires blazing, burning sticks with hands and feet, burning lumps that most of the work. The ewe bore the digging knife patiently, her opaque, amber, slotted eyes gazing friend the wise woman up to hex 'em away. Or aren't you friends anymore?". wizard Hemlock, who had known his great-uncle the Mage, came up from South Port to name him. And To Otter this conversation was, again, like walking forward in a vast darkness with a small lamp. Anieb's understanding was that lamp. Each step revealed the next step he must take, but he could never see the place where he was. He did not know what was coming next, and did not understand what he saw. But he saw it, and went forward, word by word..have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing."Who doesn't? I like the cheese making. There's an interest to it. And I'm strong. All I fear is. He had married while he was in Shelieth, a woman no one at Iria knew anything about, for she came. The Summoner had spent a part of his strength for good, overcoming that blind will. And I didn't. Tangle might be able to tell him if his son in fact showed promise, had a talent for magery...but."The money and the music."
